

Hi, this is Hugo.

Your knight in shining mattress.

Hugo comes in just one flavour: *perfect medium.*

He's not too hard, not too soft.
Goldilocks would totally sleep on him.

We deliver Hugo for free, in a box that actually fits through human doorways.

Rest assured

You've got 3 whole months to change your mind.
If you don't like Hugo, send him for a full refund.

He won't take it personally.

Count sheep, not mattresses.

You know those mattress shops with a billion models
and patented Sweet Dream® technology? Yeah,
Hugo isn't like that. [Just one incredible mattress.](#)
